FOR SALE OR RENT—PROCEDURES FOR WEBSITE ADVERTISEMENT

To post your lot for sale or rent, please provide all of the following information.
This is the information that will then be posted on the website.

Lot #_____
Description of available property and home (be as descriptive as possible):

Asking price_____
Dates available (if rental) _____
Contact Name _____
Contact Phone Number _____

Photos of your property are welcome. These must be submitted by email to be added to the listing.

All information required for the listing can be sent directly to Lisa Prince, lisap616@msn.com. Once the information is added to the website, you'll be asked to review for any additional changes that might be needed.

When your property sells, or if the information is no longer valid, please notify us to remove your posting.

Thank you!
